Dear Administrator Pruitt:

Thank you for your commitment to our nation's founding principles and free market ideals. Members of the American Legislative Exchange Council (ALEC) share your belief in limited government, free markets and federalism, and it is my honor to invite you, once again, to deliver a keynote address at our **2017 States and Nation Policy Summit in Nashville, Tennessee**. The ALEC States and Nation Policy Summit gathers more than 900 state legislators, business leaders and public policy experts from across the nation to discuss major state issues.

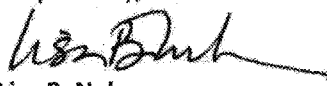

Our 2017 States and Nation Policy Summit will be held at the Omni Nashville from December 6 – 8, 2017. I would be honored to have you address our attendees during the **Thursday Lunch Session on December 7, 2017**. Your insight into the future of our environmental programs would greatly benefit our attendees.

As you know, ALEC is the largest nonpartisan voluntary membership organization of state legislators in the country, representing one quarter of all state lawmakers, 60 million Americans and 30 million jobs. ALEC members advance the Jeffersonian principles of limited government, free markets and federalism. Members of ALEC share your belief in protecting hardworking taxpayers and providing a stable environment.

If you are able to share your leadership perspective with ALEC members at the 2017 States & Nation Policy Summit, or if you have additional questions, please contact Courtney Cook, Director of Events, by email at ccook@alec.org or at (571) 482-5003.

Thank you for your consideration and service to our country.

Respectfully,

Lisa B. Nelson
Chief Executive Officer

*We know how much you love
Alec and can't wait to
have you with us again!*
